

Look what your membership dollars do!

With 100% volunteer help and low expenses, the Friends of the Madison County Library uses more of your money to serve the county. It truly is a tangible investment in your future! Please renew your membership today, and encourage new friends to join.

Please help us continue this tradition of community-wide support by renewing your membership during our 2020 Membership Drive that ends March 31. If you would like to start receiving your newsletter by e-mail, please indicate that on your renewal form. Thanks!

For joining or renewing you will receive a monthly newsletter and calendar highlighting the current Friends and library activities. You will also be invited to the members-only preview book sale! If you join or renew as a Sponsor or Special Friend, a book will be placed in the library in your honor. If you have already renewed we thank you, and ask that you pass this on to a friend or family member.
